

ENVIRONMENTAL POLICY STATEMENT

Review: 7

Date of Issue: 8th January 2019

Decora Blind Systems Ltd are committed to minimising the environmental impact of our business activities.

OUR COMMITMENT IS TO:

- ▶ Comply with all relevant environmental legislation and approved codes of practice.
- ▶ Limit our effect on the environment and prevent pollution through our business activities and those of contractors on site.
- ▶ Continuously improve our environmental performance, and integrate recognised environment best practice where possible.
- ▶ Reduce our consumption of resources including electricity and gas by ensuring efficient use.
- ▶ Effectively manage waste streams to ensure that where possible waste is recycled or diverted from landfill.
- ▶ Consider wider environmental issues in relation to the selection of equipment and development of new products.

TO MEET OUR COMMITMENTS, WE WILL:

- ▶ Set specific environmental objectives.
- ▶ Regularly monitor key performance indicators, taking corrective action as required.
- ▶ Design work activities to minimise waste and ensure efficient use of resources.
- ▶ Provide training and communicate effectively with employees to highlight the importance of environmental performance.
- ▶ Provide adequate resources, through capital investment for energy efficiency and waste minimisation projects.
- ▶ Implement the waste hierarchy to reduce, reuse, recycle and safely dispose of hazardous waste.
- ▶ Review the environmental performance of key suppliers in our supply chain.
- ▶ Regularly review compliance with organisational controls.
- ▶ Review our environmental policy regularly.
