DECORA ARE PLEASED TO
ANNOUNCE THE LAUNCH OF
THE NEW 25MM ALUMINIUM
COLLECTION.

Decora™

The 25mm aluminium venetian collection comes in a spectrum of 56 colours ranging from the hugely popular brushed aluminium through to vibrant primary reds and blues and contemporary classics, such as Mocha and Latino, for the most modern and minimalist of homes.

The range includes matt, perforated, hammered and metallic finishes.

The 25mm Aluminium venetian range has a very competitive pricing structure making it even more attractive to your customers.

Decora have invested heavily in new machinery to introduce this range and to reduce lead times. Lead times are only 4 days from point of order.

The new colour selectors are available immediately priced at £5.00 each (product code VC906). Please find a price list and specification sheet enclosed in this pack.
